The Grottaferrata version of the medieval Greek epic Digenis Akritis encompasses subtle self-consciousness of men's position under gynocentrism. Romanos the Melodist's sixth-century kontakia on Mary at the foot of the cross reflects gynocentrism, but uncritically. The kontakia 's representation of gynocentrism seems to result mainly from particular circumstances of symbolic competition.

Digenes Akrites, known in folksongs as Digenes Akritas and also transliterated as Digenis Acritis, is the most famous of the Acritic Songs. The epic details the life of the hero, Basil, whose epithet Digenes Akritas refers to his mixed Byzantine-Cappadocian Greek and Arab blood. The first part of the epic details the lives of his parents, how they met, and how his father, an Emir, converted to Christianity after abducting and marrying Digenes' mother. The remainder of the epic discusses, often f

Basil the Two-Blood Border Lord, better known by his Greek name, Basileios Digenis Akritas, was a legendary hero of the Byzantine Empire, a gigantic figure clad in Christian orthodoxy, who has become the symbol of the eternal spirit of Hellas to the modern Greeks. His story, commonly known as Digenis Akritas, follows in many respects the same epic tradition as the Iliad, the Morte Darthur, the Chanson de Roland, and the Nibelungenlied, which honor national heroes, were written long after the ...
