Years in the making, the exhibition "Designing Motherhood" at the MassArt Art Museum features 200 objects that explore the history of human reproduction, including IUDs, speculums and baby monitors.

In a post-Roe world, an exhibit exploring reproduction is more timely than ever

Tonight, in our country, our beautiful, wonderful country, a 13-year-old girl is being raped in an incest-related incident and is going to wake up tomorrow and realize that if she ...

‘Our body, our choice,’ say Queens women

The overturning of Roe v Wade harms all women and all who can get pregnant around the world by making their body-ownership merely conditional. Th ...

Roe V Wade: A Philosopher On The True Meaning Of 'My Body, My Choice'

A few months after I learned how unlikely it was that I’d be able to conceive a second own-egg baby, I began seeing a therapist. I took the therapy video calls in my oldest sons ...

I Found Gender Euphoria In My Second Pregnancy

Back when she could barely read, Grace McGarry would go into her mother’s room, bypass the children’s books, and head straight for Our Bodies, Ourselves ... ever become pregnant and wish ...

The Supreme Court’s Abortion Ruling Leaves Rape Crisis Centers Vulnerable to Republican Attacks

"Was it really worth jeopardizing my well-being just to have a genetic link to my non-guaranteed future child? I decided that I would try," the author writes.

I'm A Trans Man. Here's What I Risked For The Chance To Get My Wife Pregnant With My DNA.

To blithely strip the right to control our bodies for half ... The circumstances in which we found ourselves are not unique. Birth control fails. Women get pregnant every day, against their ...

Op-ed: This is personal

"I would have lost my entire pregnancy, and instead, I have two healthy, thriving 9-year-olds. I knew in my gut that I needed to do this to save them. I was right. Women know our own bodies — if ...

How a "selective reduction" abortion saved my child's life
The Supreme Court’s overturning of Roe v. Wade is part of America’s long, shameful history of punishing women for having sex.

More People Will Die If Texans Don’t Speak Up for Women’s Bodies
Our presence and leadership within the bar is without question a byproduct of the freedom each of us has had to make reproductive decisions for ourselves, the thousands of signatories from about 190 ...

More Than 2,650 Women Partners From 190 Firms Issue Call to Action Post-'Dobbs'
Judaism requires that we entrust each human being to navigate their own personal pain and struggle. We as a community or as a government have no right to impose on a person’s responsibility to their ...

What does our Judaism demand of us?
The recent announcement by actor Alia Bhatt about her pregnancy once again shone light on how insensitive comments ridicule women's choices ...

Alia Bhatt to Dia Mirza: Time We End Insensitive Questions Asked of Pregnant Women
An athletic scholarship does little good to the woman who finds herself pregnant unexpectedly ... and bolstered our self-esteem. Sports taught us to respect our bodies and not waste time with ...

Gains of Title IX are not possible without access to abortion rights | Opinion
Another message on the sidewalk read, “BANS OFF OUR BODIES.” Such markings have ... responsibility for multiple attacks on pro-life pregnancy centers since the leak of the Supreme Court ...
