Automotive Input Shaft Market 2022 Sales, Revenue, Dynamics, Growth Opportunities, Industry Share, Top Manufacturers, Future Trends till 2028  
Acura's sales in August were down a little under half of what they were in the same month last year, the automaker said Thursday, which is terrible by any measure but with which Acura also had a ...

Acura's Sales Were Very Bad This Month Except for One (1) Model  
The Acura ZDX was ahead of its time, but its time may finally have arrived. Introduced in 2010, the ZDX was one of the first sport utility "coupes" that favored style over maximum utility.

Acura's most controversial model is returning as an EV  
Honda and Acura are going electric, but their journey down the path of electrification has been slower than the approaches taken by many other automakers. The Japanese companies have taken a cautious, ...

Acura Precision EV Concept Preview  
In his free time, Ewing loves to cook, binge trash TV, and play the drums. Acura confirmed its first EV, set to launch in 2024, will be called ZDX. A higher-performance ZDX Type S is coming ...

2024 Acura ZDX Will Be the Brand's First EV  
Acura revealed a chunky new electric vehicle concept this week, apparently taking some inspiration from the shape of luxury Italian power boats. Teased earlier this month, the Acura Precision EV ...

Acura's Precision EV concept is inspired by... boats  
"This is the first look at our design direction to an electrified future," says Dave Marek, Acura's executive creative director. "Moving as a performance brand in the era of ...

First Look: Acura's Precision EV Concept Is a Sporty Crossover With an F1-Inspired Dash  
In his free time, Ewing loves to cook, binge trash TV, and play the drums. Acura unveiled the Precision EV concept on Thursday during Monterey Car Week, previewing the design language for its ...

Acura Precision EV Concept Previews the Brand's Electric Future  
The Acura Precision EV Concept provides a glimpse of the styling direction for future Acura models. It's an evolution of the 2016 Precision Concept design language, with a focus on electrification.

An Electric Acura Is Coming, and the Precision EV Concept Previews It  
Acura is on a revival kick as of late, resurrecting the cherished Integra title for its compact sedan after a 20-year hiatus. Now Acura is at it again as it dusts off an unlikely nameplate for its ...

Acura Will Bring Back the ZDX Name for Its First EV  
By Kristin Shaw | Published Aug 25, 2022 7:00 PM During Monterey Car Week in California last weekend, Acura revealed its Precision EV Concept with a sleek and futuristic silhouette. The concept ...
