## Engine

The Saturn L series is a line of automobiles, sedans and station wagons that were made by Saturn Corporation in Wilmington, Delaware.. Poor sales of the L-series cars caused GM to cancel the line for 2005. The first L-series car was built in May 1999, and the last one rolled off the Wilmington line on June 17, 2004, after a short run of 2005 models.

~~Saturn L Series Engine Problems and Repair Descriptions at ...~~

The Saturn L-series was a player in global trade agreements, backdoor dealings, bribery and General Motors infighting. Your parents didn't know it and you didn't know it, but that's okay. It was the year 2000, and everything was new. With Geocities and Angelfire, you could have your own website for your webcomic and Episode 2 spoiler gossip.
