It's important to carefully check the trims of the car you're interested in to make sure that you're getting the features you want, and aren't overpaying for those you don't want.

Compare 4 trims on the 2001 Ford Focus  
Used Best car I've owned. Black ZX3 with almost 200k Miles easy on gas, no problems at all (or minor like bearings). It's not very fast but neither the slower car on the road considering age.
