Nissan Pathfinder Service Engine Light On Problems

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

What Does the Service Engine Soon Light Mean on a Nissan ...

Nissan actually has a procedure to access the fault codes and to erase them and reset the computer. The majority of late model cars have a check engine light for the computer and a service engine soon light for required maintenance like oil changes. Nissan only uses one light --- the service engine soon light --- to take care of these functions.
