Combining simple exercises with math instruction can help ensure that elementary school students remember these lessons.

Reinforcing Elementary Math Lessons With Movement

Valedictorian Jaden Bandy earned the All-In Milwaukee scholarship and plans to study robotic engineering at Milwaukee School of Engineering.

At 10, he could barely read. Now, with 'above and beyond' support from MPS teachers, he's Marshall High's valedictorian.

By the end of five weeks of her intensive catch-up session, there was some hope – all children except one could do two-digit subtraction and 18 children could do division with remainders.

A Math Problem: After 5 weeks of catch-up, some progress, some problems unsolved

This school year marked the second in which the retention policy of the state's Read by Grade Three was in effect for schools. Much like the first, the policy had little effect on Holland-area ...

Local third-graders clear reading law hurdle, moving to fourth grade

It's not only graduates who are bidding farewell to their Poway Unified campus. Several teachers are also closing the book on their educational careers. At least 14 teachers have announced they are ...

Poway Unified to say good-bye to 14 retiring teachers

Texas high schoolers' STAAR results modestly improved over last year but have mostly not returned to pre-pandemic levels.

Texas high schoolers show modest improvements on STAAR

The Sanibel School held its last day of school on June 2 as classes let out for the summer. "I think the year went as well as can be expected," Principal Jamie Reid said, citing the ongoing obstacles ...

Students, staff at Sanibel school mark last day of year

School may be out, but series additions forge ahead with a mystery surrounding Cleopatra, a pig with superpowers, a coven of witches defending their magic, and more.

Noteworthy Picture Book and Novel Sequels: June 2022

Students listened to stories of heart survivors, learned about their hearts, participated in activities that raised their heart rates and learned hands-only CPR during P.E. classes with Mrs. Gosselin.

Summer reading kicks off, students awarded scholarships: Seacoast education news

Today at Tampa's Tiger Bay Club political forum, a candidate for Hillsborough County School Board said a recent Florida book ban was justified, and defended the state's attacks on "critical race ...

Hillsborough County School Board candidate defends book bans and CRT while lacking evidence

We've gathered a selection of celebratory titles for young readers to enjoy with their loved ones this Father's Day, ranging from outdoor adventures and animal allegories to contemplative tales about ...

Children's Books for Father's Day 2022

Racial gaps in student outcomes illuminate the need for schools to make sure their teaching practices aren't just equal, but equitable meaning they help all students reach the same levels of success.

These Indiana schools made racial equity their mission. Now they face hostile legislation

There is a lot of research and evidence supporting the comparison that children's brains are like sponges soaking up almost everything around them, and the crucial role the quality of care a child ...

Quality child care foundational for children's futures

Mathematics is a powerful tool that helps us understand the world in which we live and solve complex and real problems. It's all around us and in everything we do—and that's never been more clear than ...
