This resource includes 32 task cards for practicing the problem and solution text structure. Each passage is presented two times on adjacent cards. On the odd-numbered cards (pink borders), students must identify the problem. On the even-numbered cards (green borders) they identify the solution.

Problem And Solution Task Cards & Worksheets / Teachers ...

Problem and solution is very closely related to cause and effect, but the big difference is the solution. This is something I'll write on the slide and I'll expect the kids to write it in their notes. When I get to the slide with the problem and solution paragraph, I'll ask students to read it and find the problem and solution.
