Lyrics containing the term: make a blind man see

A blind man knows he cannot see, and is glad to be led, though it be by a dog; but he that is blind in his understanding, which is the worst blindness of all, believes he sees as the best, and scorns a guide. Samuel Butler. “. If love is blind, then maybe a blind person that loves has a greater understanding of it.

Blind Sayings and Blind Quotes | Wise Sayings

Legally Blind: A person may be able to see large objects and people, but they are out of focus. A legally blind person may see colors or see in focus at a certain distance (e.g., be able to count fingers in front of the face). In other cases, color acuity may be lost or all vision is hazy. The experience is highly variable. Joey, who has 20/400 vision, tells ThoughtCo that he "constantly sees neon speckles that are always moving and changing colors."
