Cornelius

A Bridge Too Far (1974) by Cornelius Ryan gives an account of Operation Market Garden, a failed Allied attempt to break through German lines at Arnhem by taking a bridge in the occupied Netherlands during World War II. Ryan named his book after a comment attributed to Lieutenant General Frederick Browning before the operation, who reportedly said to Field Marshal Bernard Montgomery, "I think we may be going a bridge too far."

A Bridge Too Far (book) - Wikipedia

"A Bridge Too Far" is the classic text on the history of Operation Market Garden. It is more detailed and less of a narrative history than Cornelius Ryan's other famous book "The Longest Day" but is still extremely readable. As a fan of the movie I was surprised at how well the film version relates the story told in the book.
