A HIPPY-HOPPY TOAD | Kirkus Reviews

A Hippy-Hoppy Toad written by Peggy Archer and illustrated by Anne Wilsdorf is a delightful and engaging book full of onomatopoeia words! What are onomatopoeia words? Onomatopoeia words are “ the formation of a word from a sound associated with what is named. ” These words are a part of figurative language, which have been determined to be more effective in communicating emotions and images.

A Hippy-Hoppy Toad - Language During Mealtime

Publisher Summary. It ’ s hard to be a tiny toad minding your own business on a twig. First a bird pecks at him... . Then a bee buzzes... . Then a dog barks... and so on. And each time the toad is surprised by a buzz or a woof (or the toe of a sneaker!), he hops to a new location farther down the road. With fun sounds, clever rhymes, and an irresistible rhythm, this is the perfect story for sharing one-on-one or in a group.

A Hippy-Hoppy Toad by Peggy Archer - Bookroo

A Hippy-Hoppy Toad. The hippy-hoppy toad ’ s rhyming adventure begins and ends calmly with the toad “ in the middle of a road/on a teeter-totter twig ” . Lots of things happen to the small critter in between in this animated and humorously illustrated tale of a positively engaging amphibian.
