Ring in a healthy new year by teaching kids the importance of food, nutrition and eating skills: food to fuel busy, successful lives; nutrition to nourish strong bodies and smart brains; and eating skills to enjoy the social aspect of meals with family and friends. As with any part of raising children, no one does a perfect job with nutrition.

Now a year later, I'm a happier person. I've been clean for more than a year. I have found support and happiness in my family, friends, and my pets. I have set boundaries that I never let people cross. I decided that I could still be beautiful, no matter what number the weighing scale would say. I took therapy. I put myself first.
