Sometimes we don ' t  
science at all, but my  
kids do enjoy it,  
especially the 4th  
grade. I like Abeka  
math through middle  
school, but we  
sometimes do other  
curriculums to lighten  
the load. I love Abeka

Grammar all the way through but don ' t feel the need to do it every single year.

There ' s other curriculums I enjoy adding to the mix.
