"Grandparents are a privilege for every child. They pamper their grandchildren and adore them in the autumn of their lives. But grandchildren also have the privilege of grandparents, because no one loves them as much as they do!"--Amazon.com.

his wonderful generational story, a classic in its own right, celebrates its twenty-fifth anniversary in a new, full-color edition, joining the other appealing picture books in which Tomie draws upon his childhood memories. In re-creating the art, Tomie says, ?Creating this art was as emotional an experience for me now as it was then.??In a quietly touching story the author-illustrator depicts loving family relationships so that even the very young reader can understand the concept.??- Publishers Weekly?Children will want to hear this again and again...? -- School Library Journal (starred review)

Un hombre regresa a Tailandia después de una ausencia de 50 años. Cuando estaba en Bangkok de permiso por la guerra de Vietnam, conoció a una chica y se enamoró. Después de regresar al campo de batalla, fue herido de gravedad y enviado a un hospital en San Diego. Después de recuperarse de sus heridas regresa a Bangkok buscando a Chayan, pero ella no está allí. Un año después regresa y una de las otras chicas le dice que Chayan murió durante una epidemia de tifus. Devastado, regresa a los Estados Unidos, va a la escuela de medicina y finalmente forma una familia. Ahora, después de cincuenta años, vuelve a Bangkok, pero en lugar de Chayan, descubre que su pasado había evolucionado sin él. Translator: Santiago Machain PUBLISHER: TEKTIME

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's In the Time of the Butterflies is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, New York Times) Alvarez's new novel, The Cemetery of Untold Stories, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like In the Time of the Butterflies and How the García Girls Lost Their Accents winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, The New York Times Book Review "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com

Humbert Humbert - scholar, aesthete and romantic - has fallen completely and utterly in love with Dolores Haze, his landlady's gum-snapping, silky skinned twelve-year-old daughter. Reluctantly agreeing to marry Mrs Haze just to be close to Lolita, Humbert suffers greatly in the pursuit of romance; but when Lo herself starts looking for attention elsewhere, he will carry her off on a desperate cross-country misadventure, all in the name of Love. Hilarious, flamboyant, heart-breaking and full of ingenious word play, Lolita is an immaculate, unforgettable masterpiece of obsession, delusion and lust. The novel chronicles Humbert's obsession with Lolita and his manipulative and ultimately abusive relationship with her as they travel across the United States. Nabokov's writing in "Lolita" is characterized by its lyrical prose, intricate wordplay, and dark humor, which serves to both captivate and unsettle the reader. Despite its disturbing subject matter, "Lolita" is celebrated for its literary brilliance and has been praised for its exploration of themes such as desire, obsession, and the corruption of innocence. Nabokov challenges readers to confront their own moral judgments and perceptions of love and sexuality through Humbert's unreliable narration. "Lolita" has sparked intense debate and controversy since its publication due to its portrayal of taboo subjects, including pedophilia. However, it's also widely regarded as a masterpiece of literature and continues to be studied and analyzed for its complex narrative structure and psychological depth.

Auggie Pullman, who was born with extreme facial abnormalities, goes from being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates.

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

Grandparents today are healthier, more active, and more youthful and young at heart than their predecessors. Dr. Georgia Witkin, senior editor of Grandparents.com, draws on her experience as a psychiatry professor, therapist, and grandparent to help readers be the best grandparent they can be. They'll learn: How to connect with their grandchild-online and off How to contribute to their grandchild's emotional development and boost their IQ The secret hidden stresses of being a grandparent- and how to deal with them The three things they should never say to their son- or daughter-in-laws And more!
