"JavaScript advanced programming (Third Edition)" said: the difference is whether to share, using the first way to create regular, shared, the second not shared.

Through the practice of the building owner, it is found that the results are a little different. The results of the two creation methods are the same, both of which are (true true true).

to describe the way the JavaScript language should work so that the various pieces of software that claimed to support JavaScript were actually talking abo utthesamelanguage.

EloquentJavaScript
Eloquent Javascript
3rd edition has
better technical
writing than in the
2nd edition. For
example, the book
is more
conscientious about
conceptual
information by
putting definitions
in italics and

defining terms immediately and in simple terms. The 3rd edition also uses shorter sentences and few complex sentences, which improves readability.
