Paper was so highly valued in ancient China that it was used to pay tribute and taxes to the state during the Tang dynasty (618-907 CE). The Tang also imposed a colour code on the use of paper, with white paper being reserved for legal documents, yellow for government purposes, and blue for communications with Taoist temples.

Historical study isn't something that everyone immediately associates with modern technology. Karawansary wants to help change that - history doesn't always have to be printed on paper. We recognize the power of the web for conveying ideas, whether as a blog post or a podcast. And because we view dialogue and debate as critical to a full understanding of history, forums and social-networking ...

The variety of sources make essays on Ancient history stimulating to write but hard to structure. Therefore, the first thing you must do is research your topic, even briefly. This advice may seem boring, but good ancient history essay structure comes from understanding your subject and being comfortable with your sources:
