of a form of art. Since effective leadership means different things to different people, I wanted to dive a little deeper into this debate to glean a better understanding as to what great leaders do.

A Principal's Reflections: The Art and Science of Leadership

Like Ellen, I believe that leadership involves both science and art. The Science part for me, comes from processes and systems developed from the examination of how we think, psychological study. This kind of study has produced processes like systems thinking, appreciative enquiry, and emotional intelligence as well as tools like MBTI etc.
