Content warning: Racial slurs, death, violence, fat shaming I really enjoyed parts of Susan Wiggs' "At the King's Command," but I wasn't on board with all the elements of this Tudor-era romance. Our story begins with spoiled Russian Princess Juliana Romanov getting her fortune told by a Romany woman.

The House of Tudor was an English royal house of Welsh origin, descended from the Tudors of Penmynydd. Tudor monarchs ruled the Kingdom of England and its realms, including their ancestral Wales and the Lordship of Ireland (later the Kingdom of Ireland) from 1485 until 1603, with six monarchs in that period: Henry VII, Henry VIII, Edward VI, Lady Jane Grey, Mary I and Elizabeth I.

King Henry VIII's mother was Elizabeth of York (1466–1503), eldest daughter and eventual heiress of King Edward IV of the House of York. The descent from Lionel of Antwerp, Duke of Clarence, second surviving son of King Edward III (1327–1377), via the heiress Anne de Mortimer (1388–1411), gave the Yorkist dynasty its claim to the throne. Anne de Mortimer was the daughter and eventual ...

The Tudor Dynasty began in England in 1485 when forces under the command of Henry Tudor defeated an army led by King Richard III at the Battle of Bosworth. Richard III was killed in that conflict and would be the last British king to die on the battlefield. Henry Tudor's victory marked the end of a 30 year period known as The War of the Roses.
