you can have your newly converted Civic running within a weekend. By AJ Mawley - April 17, 2015 This article applies to the Honda Civic (1992-2000).

*Honda Civic: How to Convert Your Automatic to Manual ...*

If you really want to drive a stick, a manual transmission swap is an option. However, be aware that this is no small feat because most of the car must be disassembled for the conversion. This is a job that requires a lot of specialty tools and knowledge, so visiting a mechanic might be the best option.

Best way to do an A/T to M/T  
conversion: 1.) Sell your  
A/T 2.) Buy a M/T Seriously,  
I don't know about how it  
goes down on the new civics,  
but all in all doing an auto  
to manual swap isn't easy.  
As a few suggested, you're  
gonna need: - Tranny -  
Master/slave cylinder -  
Shift linkage - Probably  
new/diff tranny mounts -  
Shift linkage - Shift  
assembly

I have an Honda civic hatch 97" auto, and i was wondering to put in an B18 or B16 engine in so i was inquiring how much work would it take to convert an automatic to an manual. The reason I have an auto is because previous owner was selling it quiet cheap so I pounced on the deal. looking forward for your feed back
