*MANUAL PRÁCTICO  
DE AUTODESK  
INVENTOR*

We are basically trying to find something that integrates with Inventor. When something changes in

# Access Free Autodesk

Inventor, 11  
Manual

you just need to open the parts manual and it updates automatically. Also, something that integrates the BOM's so they don't have to retype them or export them out, which also gets updated

Access Free

Autodesk

Inventor 11 automatically.
