Eight years ago, Sophie gave her heart—and her virginity—to Zach Barrett on a night that couldn't have been less romantic or more embarrassing. Zach's step-brother, a steely-muscled, tattooed biker named Rager, caught them in the act, getting a peep show of Sophie he's never forgotten. She may have lost her dignity that fateful night, but Sophie also gained something precious—her son Noah. Unfortunately, Zach's a deadbeat dad, leaving Rager to be Noah's only male role model. When he discovers Sophie and his nephew living in near poverty, Rager takes matters into his own hands—with the help of the Reapers Motorcycle Club—to give them a better life. Living with outlaw bikers wasn't Sophie's plan for her son, but Rager isn't giving her a choice. He'll be there for Noah, whether she wants him or not. But Sophie does want him, has always wanted him. Now she'll learn that taking a biker to bed can get a girl dirty in every way...

How can something so good feel so bad? CHLOEI thought the summer in America was supposed to be the best time of my life with grand finale being my mother's wedding, but, all I got when I arrived was an annoying step brother. Adam was a typical "bad boy" obsessed with his motorcycle and nothing else. From the start, we butted heads, going at it like a male beta fish who sees his own reflection. But, under that toughened exterior, Adam was actually pretty sweet - sweet enough for me to fall for him and I fell hard. His lips were like candy. His body an addiction. I wanted him. I needed him, but I could never have him...Special bonus included.AUTHORS NOTE: This romance is a complete standalone and due to its content is intended for 18+ readers. All characters are adults and all interactions are consensual.

I've left plenty of broken hearts behind me... But I'll be goddamned if April wasn't the first one that made me care. Made me feel. I never thought I'd have her hair between my fingers again. Never thought I'd fill my lungs with her scent again. Watch the way her curves sway with every step. I never thought that I'd get a second chance with her. A second chance to right the wrongs of the past. Until I found out who her mom's marrying. Until I found out that she's off-limits in every way possible. I've spent my entire life defying the rules. And no rule-is going to keep April away from me.
