When I come home to the UK from Oz, I'll be looking to buy another V8 to rebuild and put into my 110. The engine in that is ok, but perhaps a little tired. So which is the best, I guess a 3.5 on carbs is the most reliable, and obv being a straight swap would be the easiest to fit.

Which Rover V8 is the best? | LandyZone - Land Rover Forum

The Rover V8 engine is a compact V8 internal combustion engine with aluminium cylinder heads and cylinder block, originally designed by General Motors and later re-designed and produced by Rover in the United Kingdom. It has been used in a wide range of vehicles from Rover and other manufacturers since its British debut in 1967.

Rover V8 engine - Wikipedia

When Ford borrowed flat-plane crank idea from Ferrari, they created arguably the best V8 engine in company 's history. 5.2L Voodoo V8 redlines at 8,250 rpm, delivers evenly spaced exhaust pulses, and generally breathes better. That 's why this naturally aspirated V8 generates 526 horsepower in Mustang Shelby GT350 and GT350R.

Best Rover V8 Engine - bitofnews.com

Dan Lagrou of D&D Fabrications has been building high performance 215 engines for over 25 years, including many dozens of aluminum V8 stroker motors. With the advent in 1994 of a new Rover block with cross-bolted mains and a 3.7" bore, Dan developed a recipe for a 294 inch (4.8L) stroker motor which weighs in dry at a flyweight 340 pounds!

Affordable Aluminum Buick / Rover Stroker Motor, by Kurt ...

Any of the earlier Rover V8 engines can be used as the base engine for a MGV8 conversion. By far the most popular engine now is the 3.9, and is the one with the best bore to stroke ratio. In standard form it will provide more than enough power for most people, but if this isn ' t enough it can be easily and very reliably tuned to give an easy 250bhp or more.

MGB V8 Conversions by Roger Parker - MG cars

The Rover V8 engine is a compact V8 internal combustion engine with aluminium cylinder heads and cylinder block, originally designed by General Motors and later re-designed and produced by Rover in the United Kingdom.
