Greyhound Racing Systems - Professional Punting Systems

FINAL REVIEW. Betting systems that target anything other than horse racing or football are already in the minority, but what sets this apart from other greyhound racing systems is that it uses progressive staking. A few horse racing systems use progressive staking, are very successful and have stood the test of time, but this is the first time I've seen this approach applied to dog racing.

Greyhound Betting System | Cash Master

Well I wouldn't recommend simply laying every greyhound in the same race. As you know, if you are using the two trap greyhound system already or following results as you paper trade, quite often non-favourites will win a race, and this can be with some quite long odds, even over and above 12.0, that means you could lose all your bank on your first trade as you have to cover the liability of ...

What's the best greyhound trap to lay? (2019) - Two Trap ...

Go to Betting Systems Betting Systems. Want to learn how to pick your own winning dogs in almost every race you bet on? There are many systems out there that simply will not work, but there ARE some that do! Want to know which ones? You need to take a look at the best greyhound betting system on the market.
