Family Diversity presents empirical research on the internal dynamics, social environments, support factors, prevalence of discrimination, and common stereotypes that account for the issues surrounding current family relations. By examining the history and nature of foster and adoptive, single-parent, lesbian/gay, step- and grandparent family units, Pauline Irit Erera is able to challenge both the idealized family prototype and the hegemony of the traditional structure.

UNDERSTANDING FAMILIES: DIVERSITY, CONTINUITY, & CHANGE By ...

Sociology of Families: Change, Continuity, and Diversity considers this tension between change and continuity, situating families in a social, historical, and economic context, and emphasizing how these contexts create family diversity and inequality. By incorporating diverse family structures into each chapter, author Teresa Ciabattari has written a text that challenges idealized assumptions about how families should be, and instead explores the complex realities of how families actually are.

Family Diversity : Continuity and Change in ... - Google Books
Overview. The family patterns seen in recent decades—cohabitation, divorce, nonmarital childbearing, same-sex marriage and childrearing—can seem like radical changes from the past. But upon closer examination, many are consistent with broader trends that have been going on for centuries. Sociology of Families: Change, Continuity, and Diversity considers this tension between change and continuity, situating families in a social, historical, and economic context, and
