Bosch vision 300 series washing machine won't spin. I filled my Bosch washer the other day before I took a shower. When I got out of the shower the washer had turned off. When I went to turn it back on I realized it had tripped the fuse. I went to the basement and tripped it back on and all seemed fine.

Bosch vision 300 series washing machine won't spin. : DIY

One or more of the suspension rods might be broken. The suspension rods help to dampen
