15th August 2011. By Online editor. The Botswana Road Maintenance Manual (BRMM), which will serve as a national reference document for the public and private sectors of the construction industry, has been introduced. The BRMM provides strategic guidance on the provision of maintenance works in all types of roads in Botswana and has set standards and specifications of how the Public Highway Network (PHN) of approximately 20, 000km should be maintained.
