British English is the form of English used in the United Kingdom. It includes all English dialects used within the United Kingdom. Differences between American and British English include pronunciation, grammar, vocabulary (lexis), spelling, punctuation, idioms, and formatting of dates and numbers.

American English vs British English - Difference and ...

In British English, a singular or plural verb can be used with a noun that refers to a group of people or things (a collective noun). We use a plural verb when we think of the group as individuals or a singular verb when we think of the group as a single unit. In American English, a singular verb is used with collective nouns.

British English and American English | Grammar ...

Aside from spelling and vocabulary, there are certain grammar differences between British and American English. For instance, in American English, collective nouns are considered singular (e.g. The band is playing). In contrast, collective nouns can be either singular or plural in British English, although the plural form is most often used (e.g.
