### **The New British Politics: Amazon.co.uk: Budge, Ian, Mckay ...**

The "long 18th century" in British history, the period from 1688 to 1832, defies easy characterization. To examine its political and social history is to be struck by the complexity of its values and practices. Acknowledging the complexities, this study identifies the key thematic patterns that constitute much of the consistency of the period.
