The research on the effectiveness of different forms of reading seems to indicate no significant difference. There's some research in favor of paper, for instance this study that suggested mind wandering was higher with audiobooks. Other studies have favored paper over digital.. However, my overall impression of the research is that the differences are slight, and probably outweighed by ...

As people of good nature we need to be able to see the evil in man kind. A great book to read. It is a psychologist kind of book. I would like to see people trying to defeat evil minds. Knowing evil is everywhere we turn. A+ on this book. M. Scott Peck, M.D. did a a great job with his writing style of the book as well.
