Amendment 2 contains proposed changes throughout BS 7671, including a new Part 8: Functional Requirements. The DPC runs until 11 December 2020 for you to view the draft and submit your comments via the process outlined on BSI 's website.

~~Updates-to-18th-Edition—BS7671—IET-Wiring-Regulations~~
About the IET Wiring Regulations. The IET co-publishes BS 7671 with the British Standards Institution (BSI) and is the authority on electrical installation. We run JPEL/64, (the national Wiring Regulations committee), with representatives from a wide range of industry organisations. The committee takes on board information from international committees and UK specific requirements, to ensure consistency and improve safety throughout the UK electrical industry.
