A retired Police crime lab technician who refused to testify at a murder trial says she's trying to forget about the horrible things she documented as evidence of crimes in a murderous city.

A retired Baltimore crime scene technician wouldn ' t testify at a murder trial. The prosecutor had her arrested.

Old (1950 ' s) machines often came a comprehensive manual, often with a schematic, enough detail to repair / rebuild. This is almost never available for new equipment. Report comment ...
