Finding your Calling: When the Answer is the Question...

Callings: Finding and Following an Authentic Life by Gregg Michael Levoy is another of my most favorite books on finding God's call for your life. Callings was the first book to examine the many kinds of calls we receive and the great variety of channels through which they come to us. A calling may be to do something (change careers, go back to school, have a child) or to be something (more creative, less judgmental, more loving).
