Cash Budgets. 2010 Question 9. NB: There are actually two slightly different types of cash budgets so the one I've explained here is the one we see most often on exams. The other type is almost identical but with a few small differences. What I've done therefore is to just explain these differences at the bottom of these notes.

~~Cash Budgets.~~

Cash budget is the budget which is prepared under the finance budget. It is an estimation of the expected cash receipts and cash payments during the budget period. By preparing cash budget it becomes possible for the organisation to predict whether at any point of time there will be excess or shortage of cash.
