Chapter 3 Page 99. project was trying to find the particular method to use or more truthfully, to try and pigeon-hole the data collection process I went through in phase one (See section 1.3) into one of the accepted methods that are used in Information Systems. For you see, this project started in a very hasty manner.

~~Chapter 3 Reflections on the Research Process~~

This is Chapter 3 of the series! If you're new, start with Chapter 1 here first. DreamCatcher: Reflections is a fantasy adventure story told in the form of a series of kinetic novels—visual novels with a linear storyline and minimal “gameplay” elements. They will feature full-color artwork, including dozens of unique CGs, as well as a ...

3.3 Design Versus Analysis 3.3.1

Design It involves the determination of the type of structural system to be used, the cross sectional dimensions, and the required reinforcement. The designed structure should be able to resist all forces expected to act during the life span of the structure safely and without excessive deformation or cracking.
