5.0 out of 5 stars Best yet from Downside! Chasing Magic, the fifth installment of Stacia Kane's innovative and dark Downside Ghosts series is, in my opinion, the best book of the series to date. Stacia Kane takes us along a dark and scary path, both externally and internally in regards to the characters.

Chasing Magic is the fifth book in Stacia Kane's Downside Ghosts series, and is easily one of my favorites so far. The war in Downside between Bump and Lex is very real now, after Slowbag's demise in the previous book, Sacrificial Magic.

~~Chasing Magic (Downside Ghosts, #5) by Stacia Kane~~
Downside could become a literal ghost town if Chess doesn't find a way to stop both the war and the dark wave of death-magic, and the only way to do that is to use both her addiction and her power to enter the spell and chase the magic all the way back to its malevolent source.

Chasing Magic By: Stacia Kane Narrated by: Bahni Turpin Series: Downside Ghosts, Book 5 I still enjoyed the book even though I gave it 3 stars. I love the mystery, world building, and most of the characters. I enjoy the fantasy aspects of the story. The drug use and "I am sorry" from Chess constantly gets annoying.
