Colloquial Dutch 2: The Next Step in Language Learning ...

So, Colloquial Dutch 2 seems to fill a market gap that would otherwise let students down. Unfortunately, the course falls short of what it could have been. I would even say that it fails on all main counts. 1) TEXTS A good language course should have a progressive content. In other words, what you learn in Chapter 2 should build on what you ...

Colloquial Dutch 2 – Language Learning

Like the name says, this book is for beginning dutch students who want to advance to the next level. I never bought colloquial dutch 1 so I cant really say what its advancing from, but from going from the "Teach Yourself Dutch Series" (which i would not recommend at all) to this series has been a great improvement.
