Commercial law disputes deal primarily with contract and/or tort laws. It involves issues that arise in the course of running a business at any stage of the commercial cycle. Such disputes are brought before courts for legal restitution when other methods of resolution, such as arbitration or mediation, have failed to provide a solution acceptable to all interested parties.

Commercial Law – All About Law
[Commercial Law] is an incredibly broad term that can cover a large variety of more specific fields of law. The main part of this centres around the commercial context, involving companies. This is also a broad term, and can include merchant shipping, insurance, partnerships, manufacture and sale of consumer goods, and any commercial/company related legal disputes.

Commercial Law – The Student Lawyer
The term commercial law describes a wide body of laws that govern business transactions. The Uniform Commercial Code (UCC), which has been adopted in part by every state in the United States, is the primary authority that governs commercial transactions. The UCC is divided into nine articles, covering a broad spectrum of issues that arise in commercial transactions.
