The book, Conservation Concerns, is not a large
publication, but I found every page had advice, help,
and examples of how to conserve historic artifacts.
Included are recommendations on construction
materials, storage of works, care of photographs and
what to do if items are damaged. Textile and metal
conservation is discussed.

Conservation Concerns: A Guide for Collectors and
Curators ...

Conservation Concerns Written in accessible,
nontechnical language, this book's twenty-three
essays provide invaluable conservation guidelines for
a variety of materials and media. Focusing also on
proper storage techniques and environmental control,
contributors offer information on emergency planning,
disaster management, and identifying damages that
may require professional treatment.
