~~Psychology Approach 3rd
Edition~~
Integrative Psychotherapy takes into account many views of human functioning. The psychodynamic, client-centered, behaviorist, cognitive, family therapy, Gestalt therapy, body-psychotherapies, object relations theories, psychoanalytic self psychology, and transactional analysis approaches are all considered within a dynamic systems perspective.

that enables you to learn about three different psychotherapeutic approaches; person-centered, attachment theory, and cognitive behavior psychotherapy.

~~Integrative Counselling and Psychotherapy (incorporating ...~~

Integrative psychotherapy techniques can be incorporated into almost any type of therapeutic work with children, adolescents, and adults, in individual practice or group settings. Due to the in-depth exploration of issues and setting of goals, integrative counselling typically requires a substantial investment of time on the part of the client.
