Here are the details: Where two-foot storms are common, you'll probably want the largest, widest snow blower. Otherwise ... owner's manuals typically recommend 15 to 20 pounds per square ...

### Clear the Snow-Not Your Bank Account

Whether it's time to replace the throttle cable that controls the choke on your Craftsman mower or when it's simply come loose and needs to be reconnected, it's important that you do it correctly.

### How to Hook Up the Choke on a Craftsman Mower

A lawnmower carburetor, including one on a Craftsman push mower, is equipped with a primer. The primer drives air into the carburetor, and it forces gasoline into the center jet inside the carburetor.
