Service Manual

If you purchased your Craftsman snowblower from a retail outlet such as Sears (the  
manufacturer of Craftsman brand products), an owner's manual should have been included  
with it. On the other hand, if you purchased it used from another source, the manual may very  
well not have been included with the snowblower.

There was a firm called Marion-Craftsman Tool Company and the name "craftsman" attracted Barrows' attention. As a result Sears bought the rights to use the name "craftsman" for its products for \$500. Early customers of Craftsman tools were farmers who preferred to build their homes, barns, furniture etc. with their own hands.
