Things I liked:  
The Crosman 2240  
has been a long-  
time favorite.  
Most serious  
shooters have  
paid for the  
steel breech  
upgrade on their  
non-XL model. If  
I were buying  
new today, I

# Access Free Crosman 2240 Owners Manual

would spend the extra \$30 and get the Diana Airbug instead.
