Cyberia - Internet for everyone

Cyberia is a science fiction action adventure video game released for MS-DOS in January 1994, and released two years later on the PlayStation, Sega Saturn, 3DO and FM Towns consoles. A sequel, Cyberia 2: Resurrection, was released in 1995 for both DOS and Windows 9x formats.

Cyberia (video game) - Wikipedia

Code-named Cyberia, it was designed in an era of long forgotten peace by the most brilliant minds in nano technology. In an ancient world of hope, it was to be the ultimate protector of a new order. In the year 2027, it stands as the instrument of humanity's destruction.

Cyberia on Steam

Cyberia is a book by Douglas Rushkoff, published in 1994. The book discusses many different ideas revolving around technology, drugs and subcultures. Rushkoff takes a Tom Wolfe Electric Kool-Aid Acid Test style (or roman à clef), as he actively becomes a part of the people and culture that he is writing about.
