Jaclyn Dolamore's imaginary world is frightening and harsh, yet she also provides us hope in the audacious characters she creates. Dark Metropolis is a book which quickly consumes its reader and I definitely recommend it. I received this as a complimentary review copy, but this has had no influence on my opinion.

~~Dark Metropolis (Dark Metropolis Series #1) by Jaclyn~~

Jaclyn Dolamore weaves a chilling tale with a touch of magic in this lyrical thriller, where the dead don't always seem to stay that way.

~~Amazon.com: Dark Metropolis (9781423163404): Dolamore~~

Dolamore's urban fantasy introduces a city loosely based on culturally vibrant, politically repressive interwar Europe and plants a dark secret at its heart. The setting feels generically European; revolutionaries meet at the "Caf Rouge," and crowds flock to the "Lampenlight [district] on Saturday night."

~~Amazon.com: Dark Metropolis eBook: Dolamore, Jaclyn~~

I loved the originality of Dark Metropolis; whilst it is mysterious and thrilling, Jaclyn Dolamore also tells a tender story which enchants the reader. The ambiguity of Dark Metropolis' location and timing makes it more unsettling as we question whether these are events which could happen in the future, or could have happened historically.

Dark Metropolis (Dark Metropolis #1) by Jaclyn Dolamore Sponsored post: I received a digital copy of this book for free on a read-to-review basis. Thanks to Disney Book Group and Netgalley. Blurb (from Goodreads): Cabaret meets Cassandra Clare-a haunting magical thriller set in a riveting 1930s-esque world.

~~Dark Metropolis 1 Jaclyn Dolamore—widgets-uprox.com~~

What caught my interest first with Dark Metropolis was the writing style. Jaclyn Dolamore has a very unique way of writing and it 's one that fits the novel perfectly. The narrative is ominous and gives it a dark feel no matter how light the scenes may appear.
