If a senator doesn't even know
how Facebook makes money,
they're not going to be able to
write effective laws that keep the

company from abusing user data or letting disinformation run unchecked.

If US lawmakers are good at anything, it's failing at technology Before BugCrowd, Chopra built a finance team from the ground up

as the CFO of SonicWall, a cybersecurity company he helped create as an independent company post divestiture from Dell. In that role ...
