With DIN 16742, a successor standard to DIN 16901 "Plastics mouldings; Tolerances and acceptance conditions for linear dimensions", withdrawn in 2009, is made available to the public. It shall be noted, however, that DIN 16742 applies exclusively for new designs from the date of issue of the standard. The limit dimensions and tolerances for size elements, distances between size elements and profile form tolerances without drawing indication specified in this standard are applicable to ...
