Dream Park is a 1981 novel written by Larry Niven and Steven Barnes set in a futuristic amusement park of the same name. It was nominated for the 1982 Locus Award and later expanded into a series of books: The Barsoom Project (1989), The California Voodoo Game (1992), The Moon Maze Game (2011).

Dream Park — **Wikipedia**

Authors Larry Niven and Steven Barnes took all that information and expanded it, suggesting the marriage of imagination and technology in a way that was new and exciting. The story is relatively simple. A group of pretend adventurers suit up for a campaign called "The South Seas Treasure Game".

I was a bit worried re-reading Larry Niven's and Steven Barnes' "Dream Park." I initially read the book way back when it was release around 30 years ago and really like it. Because of the nature of the book, I was very worried that the advances in online gaming and computers over the intervening three decades would have made the book seem silly. Thankfully, that's not the case. The story has ...

A visionary science fiction classic from Larry Niven and Steven Barnes. The Barsoom Project is the direct sequel to 1981's Dream Park.Evian's first visit to the state-of-art amusement arena Dream Park ended in disaster: the special effects had seemed more real than life... until the holograms she was shooting with live ammunition turned out to be solid flesh and blood... and very, very dead.

"Dream Park" is basically a murder mystery set in a theme park in a future where virtual reality, reality television, videogames, and special effects have become so advanced and blended together that the gamers discover that this immersion can be potentially harmful when you can't distinguish between real or fictional threats. While the murder mystery is the over arcing threat of the story ...
