A dreamseller is somebody who "sells" a dream of them not being who they really are. They say whatever they can to make others believe they are better off than they really are. They tell what people want to hear. They sell a dream of being someone else's view, whether right or wrong.

Brandon Novak - Wikipedia

Dreamseller is the best I have read yet though. I read the whole book in about 2 hours, I could not put it down. In fact it is a book that I have read a few times. There is not one boring part that I had to skip through in this book. I highly recommend this to any addict.
