Ecology And Evolution Journal

Ecology and Evolution is supported by other journals published by Wiley, including journals owned by the British Ecological Society, European Society for Evolutionary Biology and the Society for the Study of Evolution.

Ecology and Evolution - Wiley Online Library

Introducing the new Editor-in-Chief. Zhaoxue Ma (Zoe Ma) has recently joined Ecology and Evolution as an Editor-in-Chief, based in the Wiley Shanghai office. She has broad interests in Molecular Biology, Cell Biology, and Biochemistry and received her PhD on the topic of chloroplast development at the University of Chinese Academy of Sciences, Shanghai in 2015.

Ecology and Evolution: List of Issues - Wiley Online Library

Ecology and Evolution is intended to be a bit different. Our overriding philosophy is to be "author friendly". We intend to provide a forum for authors to present their evidence-based views, as long as they are not factually incorrect (or, you know, wacky).

Ecology and Evolution - Journal Impact The Journal Impact 2019-2020 of Ecology and Evolution is 2.540, which is just updated in 2020. Compared with historical Journal Impact data, the Metric 2019 of Ecology and Evolution grew by 3.25%. The Journal Impact Quartile of Ecology and Evolution is Q1.

Ecology and Evolution Journal Impact 2019-20 | Metric ...

Frontiers in Ecology and Evolution publishes rigorously peer-reviewed research across fundamental and applied sciences, to provide ecological and evolutionary insights into our natural and anthropogenic world, and how it should best be managed.

Frontiers in Ecology and Evolution - Open Access Journals

Ecology and Evolution is the peer-reviewed journal for rapid dissemination of research in all areas of ecology, evolution and conservation science.

Ecology and Evolution Journal | ESEB

Ecology and Evolution publishes twice per month and operates a single-blind confidential peer-review process. Editors and reviewers are expected to handle the manuscripts confidentially and must not disclose any details to anyone outside of the review process.

Ecology and Evolution - Wiley Online Library

All articles published by Ecology and Evolution are fully open access: immediately freely available to read, download and share. To cover the cost of publishing, Ecology and Evolution charges a publication fee. Ecology and Evolution 's publication charge for authors submitting directly to the journal is \$2,200/£1,600/€1,800.

Trends in Ecology & Evolution | Journal | ScienceDirect ...

Evolutionary Ecology is a concept-oriented journal of biological research at the interface of ecology and evolution. We publish papers that therefore integrate both fields of research: research that seeks to explain the ecology of organisms in the context of evolution, or patterns of evolution as explained by ecological processes.

Evolutionary Ecology | Home

Ecology and Evolution publishes papers reporting theoretical, experimental, applied and descriptive work in terrestrial and aquatic environments.

Ecology and Evolution - British Ecological Society
