How to Design Your Educational Philosophy

Philosophy of education, philosophical reflection on the nature, aims, and problems of education. The philosophy of education is Janus-faced, looking both inward to the parent discipline of philosophy and outward to educational practice. (In this respect it is like other areas of "applied" philosophy, such as the philosophy of law, the philosophy of science, and the philosophy of medicine, including bioethics.) This dual focus requires it to work on both sides of the traditional divide ...
